

New England Rehabilitation Hospital Announces the Grand Reopening of our Therapy Pool

The therapeutic pool at NERH has a whole new look to it. From a new liner and filtration system, to the addition of a new aquatic treadmill, our pool uses the warmth and buoyancy of the water to help maximize recovery and alleviate joint pain.

BENEFITS OF AQUATIC THERAPY:

- Effective in treating arthritis, healing fractures, orthopedics, and neurological injuries
- Enhances strength, flexibility, balance, postural awareness, and cardiovascular endurance
- Reduces pain while providing the support to walk more easily
- Convenient, safe, and effective addition to traditional therapy
- You can continue to use the pool after completing the program through our Independent Pool Program

Aquatic Therapy Hours:

Monday-Friday 8:00am-4:30pm

Independent Pool Program Hours:

Monday and Wednesday 8:30am and 12:00pm

Tuesday and Thursday 8:30am, 12:00pm, and 5:30pm

Friday 8:30am, 12:00pm, and 2:30pm

A prescription is required for Aquatic Therapy. We accept all major insurances.

If you feel you may benefit from aquatic therapy,
ask your doctor for a referral to New England Rehabilitation Hospital.
